# Documents, manuals & plans

Boat Console - exported 2026-11-25

| id | Title | Category | Drawing / document number | System | Equipment | Covers models / years | Defect | Notes |
|---|---|---|---|---|---|---|---|---|
| 1 | Deck & accommodation plan | Layout plan / drawing | | | | | | |
| 25 | General arrangement | Layout plan / drawing | 11-0005 | 01 - Hull & underwater | Hull & keel | | | |
| 24 | Sail plan | Layout plan / drawing | 81-0101 | 08 - Rig & sails | Sails | | | |
| 2 | Generator 12 kW - operation and service manual | Manual | | 06 - Electrical generation | Generator | | | |
| 4 | Main engine - owner's manual | Manual | | 04 - Propulsion | Main engine | | | |
| 3 | Watermaker - operation manual | Manual | | 05 - Fresh water & watermaker | Watermaker | | | |
| 22 | Bilge system schematic | System drawing | 53-0201 | 05 - Plumbing, sanitation & seacocks | Bilge pumps & alarms | | | |
| 20 | Fresh water system schematic | System drawing | 51-0102 | 05 - Fresh water & watermaker | Fresh water system | | | |
| 19 | Fuel system schematic | System drawing | 42-0301 | 04 - Fuel system | Fuel tanks & separators | | | |
| 23 | Hydraulic system schematic | System drawing | 21-0601 | 02 - Hydraulics | Hydraulic power pack | | | |
| 18 | Main engine cooling system | System drawing | 41-0210 | 04 - Propulsion | Main engine | | | |
| 21 | Watermaker installation | System drawing | 52-0120 | 05 - Fresh water & watermaker | Watermaker | | | |
| 8 | 230V AC main switchboard | Wiring diagram | 61-1301 | 06 - Electrical generation | | | | |
| 6 | 24V DC distribution, forward | Wiring diagram | 64-1202 | 06 - Batteries & DC distribution | | | | |
| 5 | 24V DC main distribution | Wiring diagram | 64-1201 | 06 - Batteries & DC distribution | House battery bank | | | |
| 17 | Autopilot system | Wiring diagram | 76-0502 | 01 - Steering | Autopilot | | | |
| 7 | Battery charging and inverter | Wiring diagram | 64-1205 | 06 - Batteries & DC distribution | Battery chargers & inverter | | | |

| id | Title | Category | Drawing / document number | System | Equipment | Covers models / years | Defect | Notes |
|---|---|---|---|---|---|---|---|---|
| 11 | Bilge pumps and alarms wiring | Wiring diagram | 65-1402 | 05 - Plumbing, sanitation & seacocks | Bilge pumps & alarms | | | |
| 13 | Bow thruster power and control | Wiring diagram | 63-1501 | 02 - Deck equipment | Bow thruster | | | |
| 10 | Generator AC output and changeover | Wiring diagram | 62-1310 | 06 - Electrical generation | Generator | | | |
| 12 | Navigation lights wiring | Wiring diagram | 64-1410 | 07 - Navigation & communications | Navigation lights | | | |
| 15 | Navigation network (NMEA 2000) | Wiring diagram | 71-0401 | 07 - Navigation & communications | Navigation electronics | | | |
| 9 | Shore power and isolation transformer | Wiring diagram | 61-1302 | 06 - Electrical generation | Shore power & isolation transformer | | | |
| 16 | VHF, AIS and antennas | Wiring diagram | 73-0410 | 07 - Navigation & communications | VHF / DSC radios & AIS | | | |
| 14 | Windlass power and control | Wiring diagram | 63-1520 | 02 - Deck equipment | Anchor windlass & ground tackle | | | |
